

## PROGRAMME

### 'Growing the Future'

Prospecting for innovative approaches to food, farming and the environment

Thursday 29th March, 10:00-16:00, Oxstalls Campus, University of Gloucestershire

#### Main Aim for workshop

The workshop is an attempt to ensure that the policy rethink presented by Brexit is grasped, so that food, farming and environment policy is fit for the challenges that lie ahead in the next 70 years. The outputs from the workshop will be discussed in a range of forums within and outside the county, including the RSA commission and the Gloucestershire 2050 Big Conversation.

10:00	<b>Registration and tea/coffee</b>
10:30	<b>Welcome by Stephen Marston</b> , Vice Chancellor, University of Gloucestershire
10:35	<b>Professor Janet Dwyer (CCRI)</b> Rural policy priorities for the next 40 years
	<b>Key aspects to consider and initial responses from:</b>
10:45	<b>Sue Pritchard (Director, RSA Food, Farming and Countryside Commission)</b> The need for and potential of rural policy to meet climatic challenges
11:00	<b>Professor Tim Lang (Centre for Food Policy, City University of London)</b> The need for an inclusive trade and food strategy
11:15	<b>Dr Damian Maye (CCRI)</b> 'Everyday Brexits' and current experiences
11:25	<b>Questions and Discussion</b>
12:05	Something to Chew on ... <ul style="list-style-type: none"><li>• <b>George Dunn, Tenant farmers Association</b> 'family farms and security'</li><li>• <b>Joy Carey, Sustainable Food Systems Planning</b> 'social and environmental value of food'</li><li>• <b>Henry Robinson, Ex-President of the CLA</b> 'role for the market'</li></ul>
12:15-13:15	<b>Discussions and lunch</b>
